Reflection Questions

(Please take time to ponder and pencil in to prep for this week's small group session.)

Read: Acts 21-22

**What do you observe about the early church in Acts?*

**What spoke to you this past Sunday (ie. what made you laugh, learn, look deeper at life etc.)?*

**Share a time when you either helped someone or you were helped. How did it make you feel?*

**Is there a time when you didn't help someone and it still sticks in your memory? Why do you think we remember that? What are some reasons we miss seeing another person's needs?*

**Which character in the story do you most identify with? Why?*

**Martin Luther King explained the story this way: The Priest and the Levite said, “What will happen to me if I help this man?”, but the Samaritan said, “What will happen to this man if I don't help him?” How does that thinking shape their actions in this story?*

**Is there someone you would find it difficult to help? Explain why but don't give a name.*

**Of all the steps outlined in the sermon on Urgent Care, which items do you find easiest and which is hardest for you?*
