

## Message Outline

David vs. Goliath--Part 2

1 Samuel 17:31-58

**Intro:** Last week, lessons on opportunities as we studied the intro of David vs. Goliath...

**v.31-32**—Notice how often “heart” ties into the story of David, a man after God’s own heart (Acts 13:22)...

**v.33-37**—David’s the only one who factored God in the battle plans...

**v.38**—Trying to out Goliath a Goliath when what we really need is God!

**v.39-40**—Epic battles aren’t times to try to be someone you are not...

**v.41-44**—The disdain and dialogue...

- “cursed David by his gods” ...more than just a military maneuver...

**v.45-47**—David sets record straight...

- David realizes reality (v.45a), yet prophetically proclaims God’s victory (v.46-47).

**v.48-54**—Anti-climactic battle: lots of lead up but one stone, one stab and the rest is history!

**v.55-58**—How the no-namer becomes a household name...

### Lessons from the Heart (Acts 13:22)

- Notice the words of David and what they reveal about his faith...

-v.26: optimistic, concerned for others, God’s omnipotence.

-v.37: God’s faithfulness confidence for future deliverance.

-v.45-47: a) \_\_\_\_\_  
b) \_\_\_\_\_  
c) \_\_\_\_\_

\*David’s comments reveal his confidence!  
His focus is God, not Goliath!!!

- What poured into his God-confidence? His anointing (1Sam.16)!
- Living into OUR anointing (2Cor.1:21-22)!
